IBSR 2024

ANNUAL CONFERENCE ON INFRASTRUCTURE AND BUILT ENVIRONMENT:
TOWARDS SUSTAINABLE AND RESILIENT SOCIETIES

ABOUT US

IIT Kharagpur established the Ranbir and Chitra Gupta School of Infrastructure Design and Management (RCGSIDM) in the year 2008. It is the first program of its type to be offered in India, and it places a strong emphasis on the development of inter-disciplinary technical and management abilities in order to meet the needs of the rapidly expanding infrastructure industry in our country. Students from a wide variety of fields, such as architecture, civil engineering, mechanical engineering, and electrical engineering, are welcome to enroll in the school's postgraduate academic programs.
