Infrastructure and Built Environment:  
Towards Sustainable and Resilient Societies

Ranbir and Chitra Gupta School of  
Infrastructure Design and Management  
Indian Institute of Technology Kharagpur

## About the School

IIT Kharagpur established the Ranbir and Chitra Gupta School of Infrastructure Design and Management (RCGSIDM) in the year 2008. It is the first programme of its type to be offered in India, and it places a strong emphasis on the development of inter-disciplinary technical and management abilities in order to meet the needs of the rapidly expanding infrastructure industry in our country. Students from a wide variety of fields, such as Architecture, Civil Engineering, Mechanical Engineering, and Electrical Engineering, are welcome to enrol in the school's postgraduate academic programmes.
